*Somos El Futuro, Inc. is the principal sponsor of the annual **Somos El Futuro Legislative Conference.*

Its mission is to create opportunities that increase the participation of the Puerto Rican / Hispanic community in the public policy making process and build the capacity of New York's Hispanic communities to work towards the development of policies, laws, state rules and regulations that address the needs and issues of Hispanics across the state.

*** Established in 1987 Somos El Futuro conference is the largest gathering of Puerto Rican/Hispanic civic and political leaders in New York State. The outcome of these meetings and networking opportunities is a legislative agenda focused on meeting the needs of Hispanic communities across the Empire State. For more information visit www.SomosElFuturo.com*

NOTE: 100 Hispanic Women, Berkeley College or Somos El Futuro do not take responsibility for the person or property of any of the participants in this event and participants agree that any and all liability against these organizations is waived.
